

THE CHARLEROI MAIL

VOL. XIX—NO 235

CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA, THURSDAY, APRIL 2, 1919

TWO CENTS

ROAD COMMITTEE SATISFIED WITH TRIP TO HARRISBURG

Details of What was Learned Not Yet Made Public

ROAD MEETING NEXT WEDNESDAY

According to a statement made by a member of the road committee which visited Harrisburg on Tuesday, they are very well pleased with their visit to the State Highway Commissioner. Just what information the committee secured at Harrisburg is not given out at this time but will no doubt be made public some time later. It is known however that the committee is very well pleased with the visit.

Those who went to Harrisburg were Herbert Hertzog, temporary chairman of the good roads association, which was tentatively organized a few days ago at an enthusiastic meeting held in the public meeting room of the court house; H. R. Campbell, chief clerk to the county commissioners; W. Craig Lee of Cross Creek township, J. J. Hott of Charleroi. There were also present at the meeting with the Commissioner, State Senator Joseph A. Herron and Assemblymen J. Ad Sprowls, Geo. T. Walker and D. M. Curran. Also present from the county were Burgess S. L. Woodward, John Berryman and William F. Hemmings all of Charleroi, who had gone to the state capital on other business.

The meeting was held with Commissioner Sadler on Tuesday morning at 10:30 o'clock. The situation as to the road business in this county was gone into thoroughly, H. R. Campbell being spokesman for the party. The interview clearly showed that Commissioner Sadler was familiar with the road situation in the county and on that account the local committee was able to state its case quickly and with confidence that it was understood.

The Washington County Good Roads Association will meet next Wednesday for permanent organization, and there will probably be some things made known at that time as to the details of the trip, and what the county may expect from the State in the way of aid in road building.

FIFTEENTH ENGINEERS SCHEDULED FOR HOME

According to the latest information which was contained in a cablegram from General Pershing, to the Mothers of the Fifteenth who held a meeting in Old City Hall, Pittsburgh, Wednesday the Fifteenth will sail from France between the 5th and the 10th of April. It is expected that the Regiment will be allowed to come to Pittsburgh as a unit, and if this be the case, the occasion will be one of great rejoicing not only to the relatives of the members of this organization but their friends as well.

Notice to Mothers.

All mothers of boys in the Fifteenth Engineers, who reside in the Charleroi District, are requested to meet at the Monier Hotel Friday afternoon at 2:30 o'clock. The purpose of the meeting is to make arrangements to meet the boys upon their arrival in Pittsburgh, on their return from France.

IS AGAIN IN BUSINESS

Joe Cancilla, Home From Service, Located at His Old Stand

WAS TEN MONTHS IN ARMY

Joseph Cancilla, who returned home from service in the United States Army on the 24th of March, has doffed his uniform and from this time on will be found at his old place of business on Allowfield avenue. Joe will be remembered as the patriotic young Italian, who, when summoned to enter the selective service of the Army last summer, disdained of his business, made a present of a fine sewing machine to the Red Cross and invested the balance of his savings in bonds. He will also be remembered that Mr. Cancilla made a provision in his will that if he failed to return from service and his mother, who was his beneficiary should die in the meantime the bonds should revert to the Government.

Joe served ten months in the service, being located during that time at Camp Humphreys, Va. and connected with the salvage division. He had hoped to get over seas, but the fortunes of war did not permit him to get out of the country, although he was ready for any service the government might request of him. Now he is back home and announces to his old customers that he is again located at the old stand on Allowfield avenue, where he will be ready to supply their needs in his line.

McVays dancing class will open in Might's Hall Friday, April 11, and every other Friday night after. Lessons from 7:30 to 9. Advanced class from 9 to 12. Assessment 50c. 225-tf.*

Watch for the Easter Bazaar and Food Sale to be held by the Ladies of the First Presbyterian church Saturday April 19. 255-tf.*

Removal Notice.
Dr. Sloan has removed his office from the Masonic building to rooms 10, 11 and 12, Majestic building. 247-tf.*

Dies From Fractured Skull; One Man Held In Lockup

Thomas Myrtle of Allenport, died at the Charleroi-Monessen hospital Wednesday night at 10:30 as the result of a fractured skull and Alex Blatchford, also of Allenport, is being held in the Charleroi lockup pending the decision of a coroner's inquest which will be held Saturday afternoon at 1:30.

Both men had attended the miners' celebration held in Charleroi on that day and both had been drinking to some extent. From what can be learned, Myrtle had been in an altercation near the corner of McKean avenue and Third street, when Blatchford, who knew Myrtle well, came along. According to the story told by Blatchford he asked Myrtle "What's the matter here?" and Myrtle who was considerably under the influence of liquor, is reported to have replied, "I'll do the same thing to you," and immediately squared off as if to attack Blatchford. The latter, who was close to Myrtle at the time, responded by striking him in the face. Myrtle fell to the pavement and Blatchford came on down town.

The police being notified of the occurrence went to the scene and Chief Albright brought Myrtle to the lockup in the ambulance. Seeing the man was somewhat injured, as he was bleeding from a cut on the lip, a physician was called. Medical attention was given the man and it was presumed he would soon rally. In the meantime the police arrested Blatchford and placed him in the lockup.

Wednesday morning Myrtle not having recovered the physician advised taking him to the hospital, which was done, where the man died the same night, it being discovered in the meantime that he had suffered a fracture of skull above the right ear, which resulted in a blood clot on the brain, resulting in death.

Blatchford, who is a nice appearing young man, was free to tell his story no feeling whatever between him and Myrtle, his only thought at the time of the trouble being to protect himself from any assault that might be made upon him.

Coroner Meffran will hold an inquest at the rye morgue Saturday afternoon at 1:30.

Women's Organization Does Splendid Work

The final meeting of the Washington county branch of the Women's Committee of the Council of National Defense was held in the Y. W. C. A. rooms at Washington on Friday last.

The meeting was called for two purposes, to disband and to receive statistics about the influence of the Washington county branch of the Women's Committee. The number of members present was 298, a record for the organization. The total number has not yet been computed but 298 were reported from the river district alone and the report is not yet complete. Reports were then received from the heads of the departments. Mrs. L. S. Vowell, head of the Liberty Loan work for women of Washington county, reported that the Pennsylvania women stood first in the United States in the Fourth Liberty Loan drive, having secured bonds amount-

ing to over \$225,000,000. Washington county stood sixth in Pennsylvania and second in the fourth federal reserve district.

An interesting feature of the meeting was the reading of three letters by Mrs. A. M. Linn, the secretary. One was from Dr. Anna Howard Shaw, national president of the women's committee, one from President Woodrow Wilson, and one from Secretary of War Baker all commending the women's organization for their splendid work.

Organized June 28, 1917 for war work in Washington county, the committee labored indefatigably for the causes of registration for women, food production, food conservation, women in industry, child welfare, Americanization, Liberty Loan, Red Cross, relief and all kindred activities.

WAR TAX CHANGE MADE ON RAILROADS

Regarding the collection of war tax, railroad agents and conductors in this territory have been instructed that the minimum rate of fare on which war tax is to be collected is 43 cents instead of 36 cents as heretofore. The order making this announcement is accompanied by a paragraph from the law of 1918 concerning this tax.

TRY A CLASSIFIED WANT AD

BUY McELDOWNEY FARM IN CENTERVILLE BOROUGH

James Dawson and son of Charleroi have purchased the McEldowney farm in Centerville borough, near Vesta mine No. 6, which they propose to subdivide and sell off in lots. Already a number have been sold and some buildings are in course of erection.

Whatever the war taxes may be, the ultimate consumer is the one that will have to pay.

BUSINESS MEN TO DISCUSS MANY IMPORTANT QUESTIONS

MRS. FLICKINGER HOSTESS TO PRESBYTERIAN LADIES

Mrs. Jennie Flickinger entertained the Ladies of the first Presbyterian church at her home on McKean avenue Tuesday evening. The evening was spent in sewing. Lunch was served by the hostess assisted by Mrs. Elsie McDermitt and Mrs. L. P. Flickinger.

L. C. B. A. OFFICERS

Elected for Ensuing Year, and New Members Are Admitted

TO CELEBRATE ANNIVERSARY

The annual election of officers was held Wednesday evening by Branch 782, L. C. B. A., with the following results: Spiritual adviser, Rev. W. D. Fries; Past President, Mrs. B. McBride; President, Mrs. B. V. Maines; first vice president, Mrs. Mary Haus; second vice president, Mrs. Ellen Reardon; Recorder, Mrs. Adria Wagner; assistant recorder, Harriet Wagner; financial secretary, Julia Sullivan; treasurer, Nora Riley; marshal, Stella Murphy; guard, Elsie Pelzer; Anna Sullivan, Anna Rafferty, Mrs. Mary Lieder and Mrs. Grace McKenna. Delegate to the Federation of Catholic societies, Lillian Riley. Delegate to the L. C. B. A. Advisory Senate, Mrs. Adria Wagner.

The Branch has had a prosperous year. Seven members were admitted at Wednesday evening's meeting with a long list of applicants presented. Plans are now under way to celebrate the seventeenth anniversary with a banquet after Lent. The annual L. C. B. A. tag day for the benefit of St. Rita's home for infants will be held in Charleroi Easter Sunday. One hundred and fifty babies under two years of age were admitted to this institution during the "flu" epidemic, being deprived of one or both parents.

BRICKLAYERS AND MASONS ADJUST WAGE SCALE

Monday evening last Bricklayers and Masons Union No. 20 of Charleroi, settled their wage scale with the contractors and employers of that portion of the Monongahela valley between Monongahela and Brownsville, for the year beginning May 1, 1920. The bricklayers and masons are the second organization to come to an agreement with the contractors and employers, the plumbers having adjusted their scale two weeks ago.

Change of Name and Increase of Activities Are Suggested

TO INSPIRE GREATER INTEREST

The meeting of the Business Men's Association, scheduled to be held this evening at 6 o'clock at the Hotel Wilbur, promises to be of more than usual interest to the business interests of Charleroi.

At that time a proposition will be made to change the name of the organization and broaden its line of activities. Under the present organization the activities of the association are confined to the needs of the business men alone; under the proposed broadening of powers other features of vital importance to the borough will be incorporated and the organization made to represent the entire community.

It is the hope and expectation of the leading members of the present association to follow the lines of the Washington Board of Trade and the Butler Chamber of Commerce, which are considered models in the way of civic commercial bodies and which have been for a number of years in successful operation. Both of these organizations maintain what are known as "Community" buildings, where all the activities of the two bodies center, and from which the various campaigns in which they engage are conducted. These buildings have found these buildings to be splendid investments, both in the way of creating a better community spirit and in bringing about more cordial relations among the business interests of the two towns.

While Charleroi does not at this time expect to have a Community building, it does expect to have a much stronger business organization and one which will be more representative of the entire community.

These features however, are to be considered at the meeting to be held this evening and which President Schafer hopes will be attended by every member of the association. At this time quite a number of new members will be admitted, and it is hoped, if a new organization is decided upon, to have even greater numbers at subsequent meetings. The borough officials have promised a permanent home for the organization in the new municipal building and this should serve to add greater interest to the association.

Frances Willard Class of the Methodist Episcopal church will be entertained at the home of Mrs. Charles Seals corner Fifth and Crest avenue Friday evening. Mrs. B. D. Hettrick will assist Mrs. Seals in entertaining. Call Bell Phone 128-M when in need of a plumber. Jobbing a spec-employers, the plumbers having adjusted their scale two weeks ago. Fifth street. 255-tf-p*

A FOOL'S PARADISE

America has opened her purse strings as never before in making her fight for world democracy, for the preservation of national existence for defense of national honor and national and individual right. Americans have offered their lives willingly and gallantly that American ideals might prevail.

And their cause has triumphed. Prussianism has been overthrown. The world menace forever removed. Justice lives and the world breathes with new hope.

That Americans will fail in keeping faith at the finish is inconceivable.

Yet on every hand one hears doubt, that the Victory Liberty Loan will be taken with the loyal enthusiasm that marked the previous campaigns. Folks from whom such an expression is utterly astounding are inclined to "let George do it." To pass the responsibility along to the banks.

Forgetting entirely that they themselves must depend upon the banks for their individual financing, the business financing, the financing of whatever prosperity we may have within the next decade.

And moreover, that unless the government can raise these imperatively necessary billions through the medium of the loan it must come back upon us through increased taxation. Taxes which none of us can escape and for which every dollar we pay is lost to us forever.

These folks are simply anticipating a fool's paradise.

A condition of temporary exemption from financial responsibility, from personal inconvenience and possibly sacrifice. The necessity for having to economize just a little more for another few months that Uncle Sam may make good his obligations and retain his honor and our own before the world.

For somehow folks like to stave off the payment of a debt.

But for us there is no escape. Willingly we must lend or unwillingly we must pay, and paying lose it all. Don't boost the fool's paradise. Boost the Victory Loan.

PRACTICAL KNOWLEDGE

The public school is the place in which to counteract the false teachings that are being taught by the forces of disaster throughout the country, says the Harrisburg Telegraph. A little less attention to non-essential studies and a little more concentration on the elemental principles of political economy and the United States government would help greatly. No voter can exercise the functions of the ballot intelligently unless he knows the fundamentals of government and any man who does not have this knowledge is at the mercy of the first disciple of revolution who crosses his path.

The women promise to be a great factor in the coming Victory Loan, which is scheduled to open on the 21st of April. The women of Pennsylvania made quite a record in selling bonds of the Fourth Liberty loan.

If the price of pork keeps going up, hog and hominy will be too expensive for the ordinary individual.

RIVER IMPROVEMENT

One million eight hundred thousand dollars has been released by the government for improvement work on the Allegheny river. This release was contingent on the raising of the bridges over the Allegheny in the Pittsburgh harbor, but as the city has promised to look after that work

in the very immediate future, we may expect that a great amount of activity will be apparent along the Allegheny this summer. It is a certainty that coal developments will be one of the features of this river improvement, which is expected to reach as far north as Oil City. Improvement of the Monongahela river with the Allegheny. Once that hastened the development of this river is improved for as great

WHAT IT IS

Frank H. Simonds, the well known war writer, in one of his recent articles, thus defines what he thinks Bolshevism is:

"Bolshevism is as much as it is anything an attack upon theory and system of private property. It is purely and simply communism. It is class warfare, directed against all our political and economic theories in the western world. It seeks to govern the world by the rule of the least skilled labor; it is systematically killing all men of capacity and ability in Russia. It wars upon patriotism, upon all that we have been accustomed to regard as civilization. Its only liking for the league of nations is based upon the conviction that the league of nations will disarm exactly those forces which might otherwise resist Bolshevism and so far this is an accurate conclusion."

For \$1—This Week Only To Women Who Failed to Get It

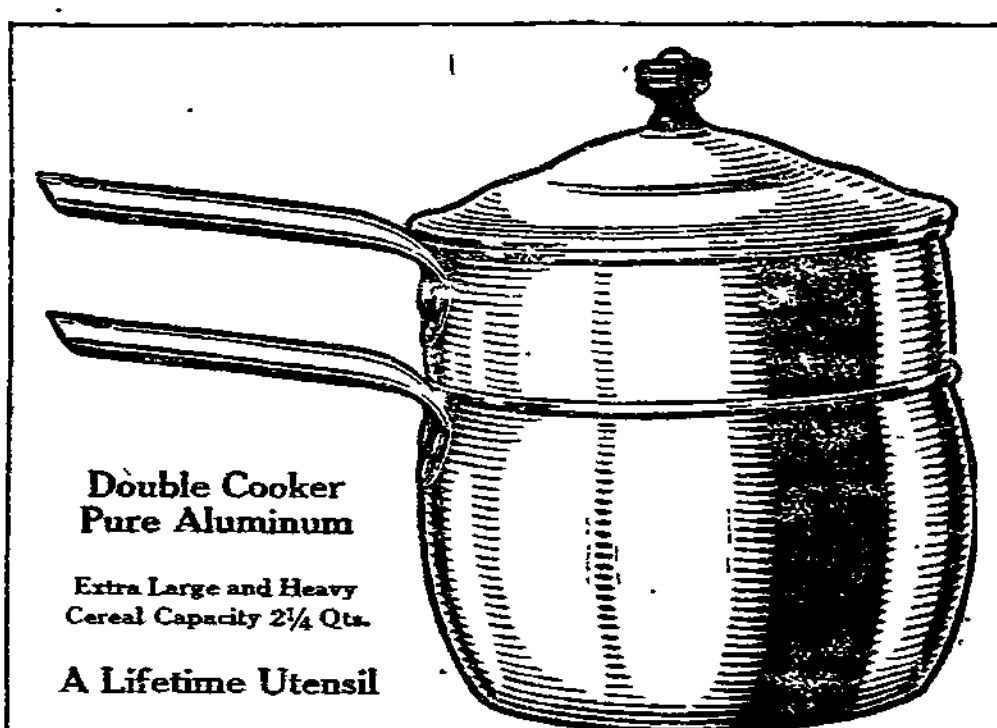

We have supplied our famous Cookers to more than a million homes. But we want every home using Quaker Oats or Mother's Oats to have one. So we repeat for one week only this attractive Dollar Offer.

Now a Very Costly Offer

This to us, at present aluminum prices, is a very costly offer. Yet we have those Cookers made to our order in enormous lots.

Such an Aluminum Cooker, extra large and heavy, would probably cost at retail more than you care to pay. But you need it to cook cereals rightly. So we want you to have it—for your sake and our sake—if you are cooking our cereals without it.

If you have this Cooker, our offer is not open. We cannot supply more than one to a family. But, if you failed to get one, get it now. This offer is made for one week only. It cannot be repeated unless Aluminum comes down.

Keep the Rich Flavor Intact

Quaker Oats and Mother's Oats are made from queen grains only—just the rich, plump, flavory oats. We get but ten pounds from a bushel.

This is done to secure a superlative flavor. Little grains, puny and insipid, lessen oat-food delights.

Now we ask you to cook these luscious oat flakes so that flavor keeps intact. Cook them so they easily digest. This Cooker will help you

to do that, as it does a million others. It is yours for \$1 if you send this week. And if you send the sales slip asked for, to show that you are using this delicious grade of oats. You will save enough to buy a great deal of cereal by accepting this dollar offer.

Your Last Chance to Get It

Buy from your grocer five packages of either Quaker Oats or Mother's Oats. Or buy four packages of the oats, and one of either Quaker Best Corn Meal or Quaker Hominy. Send us the grocer's sales slip with \$1 and we will mail the Aluminum Cooker by parcel post. Sales slips must be mailed within one week.

Here Are Spring Wraps to Gladden Your Wardrobe

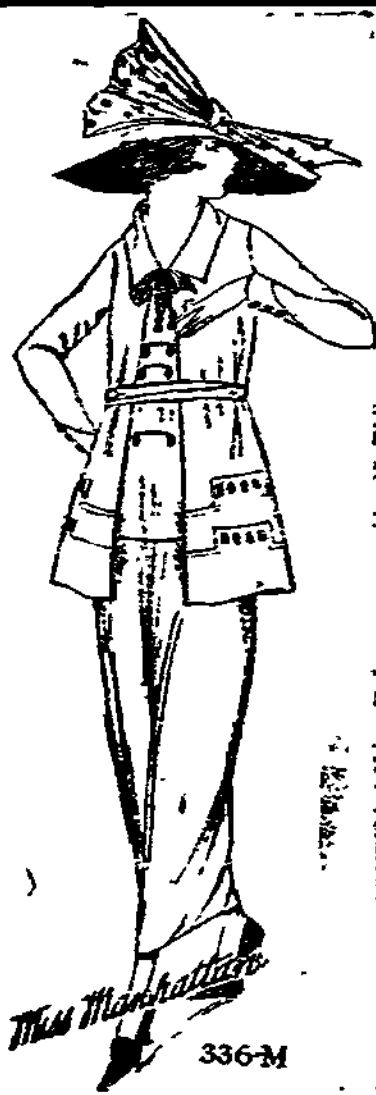

The ever-useful wrap coat in Pointe Twill lined throughout with fancy silk. The belted front shirring under the yoke and the stylish convertible collar finished with silk-fringed throws are distinctive features.

MISS MANHATTAN is a clever young woman—she chooses suits, coats and capes with one eye on Fashion and the other on her mirror.

She knows very well that her apparel must be becoming as well as modish if she would look her best.

Come in and see our new Miss Manhattan styles—straight from New York—they are youthful, slender, up-to-the-minute in fashion and moderate in price.

Like all the garments that bear her label, they are fashioned of good materials and with a careful attention to the details of fine workmanship that makes you proud to wear them

Here's an interesting suit of Navy Pointe Twill lined with fancy silk and featuring a vestee effect of silk tulle, stitched and buttoned across the front. The skirt has pockets to match the very stylish ones on the coat.

J. W. BERRYMAN

CHARLEROI'S BUSY STORE

MANY WAR RELICS ARE ON DISPLAY

The many war relics which private John T. Lauterbach sent to his mother and which were recently received are on display in the windows of the Piper drug store. Private Lauterbach did first aid work on the battlefield, and the shoulder straps on display are those taken from the uniform of a German sniper. Lauterbach had given first aid to four wounded soldiers and was helping a wounded Major of Philadelphia when the sniper fired on him. Securing the Major's gun he made a good shot and brought the sniper down, thus saving himself and his men. He then took them to a German dugout, it being the nearest place of safety, as he could not reach any of the ambulances on account of the heavy barrage that was being put over. With his wounded men he was in the dugout two days and nights without water or food before being able to leave and get an ambulance. While looking after his men he was knocked down by the concussion of the big guns, on account of weakness.

Private Lauterbach did first aid work for the Sanitary Detachment of the 313th Infantry, 79th Division. He expects to sail for home in June.

REV. ALLISON MADE DISTRICT DIRECTOR

Rev. G. A. Allison has been appointed director for the Charleroi district to assist in raising the centenary fund to be contributed by the Sunday schools. District directors have been appointed throughout this portion of the state, in West Virginia and southern New York to lead the 250,000 Sunday school members of the Methodist Episcopal church in their campaign to raise \$181,200 as their portion of the centenary fund of \$1,449,078, which has been assigned to the district noted above. The Sunday schools are pledged to raise one eighth of the 105,000,000 centenary fund proposed by the church.

IS HOME FROM DUTY WITH AMERICAN ARMY

Sergeant Daniel Rock of Lincoln avenue, has returned from overseas duty. He was a member of the 101st Infantry, 26th Division and was in service over twelve months. He says he feels fine and saw lots of fighting. In warfare work among the soldiers he names the Knights of Columbus, the Salvation Army and the Red Cross in the order given. He had the honor of leading the returned soldiers in the 8-hour parade on Tuesday. He expects to leave in a few days to resume his duties in Toledo, O., where he holds a responsible position with the Libby Glass company.

DELIGHTFUL SOCIAL AT FIRST BAPTIST CHURCH

Tuesday evening the first of a series of socials was held at the First Baptist church under the auspices of the King's Daughters. A unique program of the variety kind was carried out, with impromptu speeches on important issues of the day, games and refreshments. A goodly number of people were in attendance, who expressed their delight in being present. Under the capable leadership of Miss Parker the class bids fair to become an effective organization in the life of the Sunday school.

MRS. J. N. O'NEIL IS MADE VICE PRESIDENT

At the meeting of the Mothers of the Fifteenth Engineers, held in Pittsburgh Wednesday afternoon a permanent organization was formed and Mrs. John O'Neil of Charleroi, was elected second vice president. This organization will play a conspicuous part in the welcome which will be extended to the members of the Fifteenth when they return from France, which will likely be some time the latter part of this month.

Pork prices are showing a tendency to soar, now that the Government has removed price restrictions. Maybe this is only a bluff on the part of the stockholders to hold up the market in spite of heavy production.

From the amicable manner in which wage settlements are being made at the present time, it looks as if there will be no industrial disturbances in the country over that phase of our industrial activity.

ARTILLERYMAN IS HOME FROM SERVICE

Harold R. Toner who served in the great war as a member of the 77th Artillery returned home Wednesday from overseas, having been discharged from the Military service of the United States. He enlisted May 4, 1917 and was later assigned to the artillery branch. He went to France last May and was abroad ten months. He was wounded on the 1st day of last October, which required his being sent to a base hospital for treatment. Upon his recovery he was returned to the United States and discharged from the service.

CONTINUE FIGHT AGAINST GAS CO.

West Brownsville is going ahead with its fight against the Greensboro Gas Company and will be aided by committees from Brownsville and South Brownsville. The citizens of West Brownsville held a meeting Monday evening at which time the finance committee made a report

showing funds amounting to \$277.24. The hearing in the proceedings against the gas company will be held in room 807 of the City-County building, Pittsburgh, on April 10 at 9:30 in the morning. The West Brownsville defense association will hold another meeting Thursday evening at which time final steps will be taken in the plans to show where the Greensboro Gas Company is in wrong in its endeavor to increase its rates.

ADVERTISE YOUR FURNISHED ROOMS IN THE CLASSIFIED COLUMN OF THE CHARLEROI MAIL

You wouldn't have your clothes pressed by a shoe-maker—so why have your car's storage battery charged or repaired by one who just knows enough about the batteries to attach the wires only.

When your battery needs water (which it does every week) when it needs repairing and charging, come to us and have the work done by skilled specialists with a fully equipped shop to work in.

All makes of batteries handled—we know them all.

OLD FOLKS TAKE NEW LEASE ON LIFE

They All Look Into the Future With Confidence

This is the situation of hundreds of elderly men and women that have had their youth and health restored in such a short time. Aged men and women who have been steadily declining to the regret and dismay of fond relatives and friends are now hale and hearty, active both mentally and physically. Life to them has renewed the joys and pleasant anticipation of youth, where before it meant the usual steady progress down hill, with the decline and useless burden to themselves and everybody around. How they all dread this and how unnecessary it is.

A lively old timer said to our reporter, "I am now seventy years of age and my wife sixty-five and we both feel that any remedy that will truly build up the strength and increase the power of endurance of people of our age should be known to every nervous run down, man woman and child. Phosphated Iron did the work for both of us, and we made up our minds to let all of our friends know about it. Take it from us we certainly have spread the gospel of Phosphated Iron through this neighborhood, so much so that hardly a day goes by without some of our friends stopping to thank us for getting them wise to such a splendid preparation."

Our city is free of just such experi-

ences. There are thousands of men and women in all walks of life who need a strength and blood building nerve tonic, but do not know what to take. For this there is nothing like good old Iron and Phosphates in the right combination "Phosphated Iron" to give increased strength, snap, vigor and staying power together with freedom from all nerve troubles. It enriches the blood, feeds starved nerves, brings a full healthy color to the cheeks, is an unfailing source of renewed vitality, endurance and power for men and women who burn up their nervous energies too rapidly in this day of strenuous business and social competition.

Iron and Phosphates have been known to Doctors for years as being absolutely necessary to enable your blood to change food to healthy, strong, live nourishment and make nerves like iron. Phosphated Iron will do this for you. Try it today and be a "live one" again. "Come back," it can be done, the proof is everywhere around you.

Special Notice: To insure doctors and their patients getting the Genuine Phosphated Iron we have put in capsules only, so do not allow dealers to sell you pills or tablets.

W. F. Hennings, the druggist, and leading druggists everywhere.

KIDNEYS WEAKENING? BETTER LOOK OUT!

Kidney and bladder troubles don't disappear of themselves. They grow upon you, slowly but steadily, undermining your health with deadly certainty, until you fall a victim to incurable disease.

Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haarlem Oil Capsules now. Take three or four every day until you feel that you are entirely free from pain.

This well-known preparation has been one of the national remedies of Holland for centuries. In 1896 the govern-

ment of the Netherlands granted a special charter authorizing its sale.

The good housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. Their use restores strength and is responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with a box of GOLD MEDAL Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.

PRINCE ALBERT

the national joy smoke

Copyright 1929 by R. J. Reynolds Tobacco Co.

Totally red bags, tidy red lines, handsome portrait and half-pipeed tin handles--and--that classy, practical pound crystal glass holder--with sponge container top that keeps the tobacco in each perfect condition.

PUT a pipe in your face that's filled cheerily brimful of Prince Albert, if you're on the trail of smoke peace! For, P. A. will sing you a song of tobacco joy that will make you wish your life job was to see how much of the national joy smoke you could get away with every twenty-four hours!

You can "carry on" with Prince Albert through thick and thin. You'll be after laying down a smoke barrage that'll make the boys think of the old front line in France!

P. A. never tires your taste because it has the quality! And let it slip into your think-tank that P. A. is made by our exclusive patented process that cuts out bite and parch--assurance that you can hit smoke-record-high-spots seven days out of every week without any comeback but real smoke joy!

R. J. Reynolds Tobacco Company, Winston-Salem, N. C.
